☒ Council ☐ Committee of the Whole ☐ Other _____

Please provide the purpose for your presentation and a brief overview, below, and attach a one-page (maximum) outline of your presentation (if more room is needed). **Please be specific.**

We are proposing to the mayor and council that they direct staff to collaborate with Amisto to develop a proposal for the sale of a portion of 2988 Elliott St (old Chemainus Elementary School Property) for the development of a cohousing community to include some affordable units.

The current zone and plans allow for up to 13 single family homes and 16 multi family homes with the intention for the multi family homes to be affordable. 25-35 units is the perfect size for a cohousing community and by sharing the soft costs within the larger co housing project we can achieve a level of afford-ability for 4-10 of the units in the long term with the balance of the units being market units.
