Connect with Cohousing

Delegation Presentation for 2988 Elliott St Potential Cohousing Site

Presentation Summary/Agenda:

- Define Cohousing – much more than just a Strata
  - A community where not only do you greet your neighbours, you know your neighbours
  - Together, you create a community with people of all ages and backgrounds
  - From the energy of youth to the wisdom of elders everyone is enriched
  - Enhances physical, mental and social health
- Townhomes and condominiums
  - Owned
  - Financed
  - Not coop, not commune
  - Homes are standard homes, difference is in how design promotes connection with neighbours
- 20-40 homes, village-sized setting
  - Large common house for entertaining, community dinners, events and growth activities.
  - Aging in place for people of all ages.
  - Share meals
  - Like-minded people
  - Photos of community amenity spaces and how they are used.
- Show photos of cohousing amenity spaces
- Show how community and connection affects health
- Ask council to let us work with staff to develop a complete proposal
