Subject: Letter of Support Request

Mayor and Council,

Cowichan Green Community is asking for a letter of support from North Cowichan Council to be submitted with our grant application for the purchase of equipment through the Local Food Infrastructure Grant. If the activities are taking place on rented land they require a letter from the landlord. <https://agriculture.canada.ca/en/programs/local-food-infrastructure-fund/step-5-complete-application-apply>.

The grant deadline was May 31; but I have been advised I can submit the letter after your June 7 council meeting.

Thank you so much for your consideration.

Judy Stafford

Executive Director
Cowichan Green Community
