The Mayor & Council, Municipality of North Cowichan 7030 Trans Canada Highway, Duncan, B.C. V9L 6A1

Honourable Members,

### Re: Permissive Tax Exemption

St. Michael & All Angels Anglican Church is most appreciative of the support and encouragement that tax exemption has provided over the years and very much hope that you will be able to continue to do so.

Included are the requisite documents for you to be able give consideration to our application. Please not that in the application form it is noted that we are not registered under the Societies Act as the Diocese was created by an Act of the B.C Legislature in 1889. Also, we have not checked the box for the inclusion of a constitution. The reason for this is that St. Michael & All Angels is a parish church of the Anglican Synod of the Diocese of British Columbia, and as such does not have a separate constitution.

Again, thank you for your consideration of our request.

Yours very sincerely

The Reverend Michael Wimmer

Rector

In November I took down the Service notice board and refinished areas that had become exposed to moisture. A toilet seal was leaking and this was an ongoing issue for some time, my plumber skills were lacking somewhat. However it was finally repaired in December, the Service sign was reinstalled and the Nativity scene was set up.

Respectfully submitted Laurie Daniel

**MUSIC REPORT** 

As we slowly emerge from Covid shutdowns, we are most blessed to have a faithful and committed choir to lead us through each service. I must say it is much easier now that mask use is optional and we don't have to look through foggy eyeglasses to see the words or the notes! Thursday morning choir rehearsals have resumed, and although our numbers are down a bit, we are still able to contribute fully to each and every Sunday morning service in a meaningful way. And congregational singing is becoming much more joyful again as we lift our voices in praise to God!

Michael is continuing the mail-out services for those who cannot attend in person and so I am thankful that Trish and Peter so willingly sing the hymns for each Service, collate them and send them to Michael for distribution. Thank you Trish and Peter!

Please keep in mind that the choir is always looking for the opportunity to welcome new members.

Respectfully submitted, Christine Dandy

# <u>APPENDIX 6 – PARISH FINANCIALS</u> TREASURER'S REPORT

Submitted by Eileen Curtis, Treasurer

In my report last year, I called on each of you to take the 2022 stewardship theme **Be Alert, Vibrant, and Hopeful** to heart; to become aware of God's hand in all we do as individuals and as a parish. I believe the financial report for 2022 reflects our diligence.

As usual there are known and unknown factors that affect parish finances, some we can plan for, others are unknown and are dealt

with as they arise. Our Income sources have been steady with Parishioner donations meeting budget, facility usage increasing with the reduction of Covid restrictions, and successful large and small fundraisers being held through the year. Thank you one and all for your support.

A cash basis of accounting with selected accruals and accounting estimates will describe the basis of accounting to be applied in the preparation of the compiled financial information.

#### **Intended Use of the Compiled Financial Information**

The compiled financial information is intended to be used by management of Vancouver Island Sikh Cultural Society and third parties. Those parties are in a position to request and obtain further information from the entity.

We are pleased to confirm our acceptance and our understanding of this compilation engagement by means of this letter.

#### Our Responsibilities

We will perform the compilation engagement in accordance with the Canadian Standard on Related Services (CSRS) 4200, *Compilation Engagements*, which requires us to comply with relevant ethical requirements.

A compilation engagement involves us assisting you in the preparation of compiled financial information. Since a compilation engagement is not an assurance engagement, we are not required to perform procedures to verify the accuracy or completeness of the information you provide to us for the compilation engagement. Accordingly, we will not express an audit opinion or a review conclusion, or provide any form of assurance on the compiled financial information.

#### Management's Responsibilities

The compilation engagement is performed on the basis that you acknowledge that:

- a. The third party that intends to use the compiled financial information is in a position to request and obtain further information from the entity;
- b. A compilation engagement is appropriate for the intended use;
- c. You understand that a compilation engagement will not fulfill the entity's legal, regulatory or contractual provisions, if any, for an audit engagement or review engagement; and

d.	Regarding the use of the financial information by a third party, management must
	choose one of the four options presented below:
	$\square$ - There are no third party users of the financial information.
	oxtimes - The third party has the right to request the financial information.
	□ - Management has agreed that the third party can request the financial
	information.
	□ - Third party cannot request the financial information.
	Initial

Further, you acknowledge that you are responsible for:

- a. The compiled financial information;
- b. Selecting the basis of accounting to be applied in the preparation of the compiled financial information that is appropriate for the intended use;
- c. The accuracy and completeness of the information provided to us; and
- d. Attaching the compilation engagement report when distributing or reproducing the compiled financial information.

#### **Use of Information**

- a. You represent to us that management has obtained any required consents for our collection, use, disclosure, professional regulation; and
- b. We will hold all personal information in compliance with our Privacy Statement.

#### Confidentiality

One of the underlying principles of the profession is a duty of confidentiality with respect to client affairs. Each professional accountant must preserve the secrecy of all confidential information that becomes known during the practice of the profession. Accordingly, we will not provide any third party with confidential information concerning the affairs of Vancouver Island Sikh Cultural Society unless:

- a. We have been specifically authorized with prior consent;
- b. We have been ordered or expressly required by law or by the provincial Code of Professional Conduct/Code of Ethics; or
- c. The information requested is (or enters into) public domain.

#### **Communications**

In performing our services, we will send messages and documents electronically. As such communication can be intercepted, misdirected, infected by a virus, or otherwise used or communicated by an unintended third party, we cannot guarantee or warrant that communications from us will be properly delivered only to the addressee. Therefore, we specifically disclaim, and you release us from, any liability or responsibility whatsoever for interception or unintentional disclosure of communications transmitted by us in connection with the performance of this Engagement. In the regard, you agree that we shall have no liability for any loss or damage to any person or entity resulting from such

communication, including any that are consequential, incidental, direct, indirect, punitive, exemplary or special damages (such as loss of data, revenues or anticipated profits). If you do not consent to our electronic communications, please notify us in writing.

#### **Other Terms of Engagement**

Subject to management review and approval, we will carry out such bookkeeping as we find necessary prior to the preparation of the compiled financial information, prepare the necessary federal and provincial income tax returns and prepare any special reports as required. Management will provide the information necessary to complete the returns/reports and will file them with the appropriate authorities on a timely basis.

It should be noted that our accounting work in the area of GST/HST and other commodity taxes is limited to that appropriate to compile the financial information. Accordingly, we may not detect situations where you are incorrectly collecting GST/HST or incorrectly claiming input tax credits. As you are aware, failure to properly account for the GST/HST could result in you or your company becoming liable for tax, interest or penalties. These situations may also arise for provincial sales tax, custom duties and excise taxes.

#### **Accounting Advice**

Except as outlined in this letter, the Engagement does not contemplate the provision of specific accounting advice or opinions or the issuance of a written report on the application of accounting standards to specific transactions and to the facts and circumstances of the entity. Such services, if requested, would be provided under a separate engagement letter.

#### **Dispute Resolution**

You agree that any dispute that may arise regarding the meaning, performance or enforcement of this Engagement will, prior to resorting to litigation, be submitted to mediation.

#### Indemnity

Vancouver Island Sikh Cultural Society hereby agrees to indemnify, defend (by counsel retained and instructed by us) and hold harmless our firm (and its partners, agents and employees) from and against any and all losses, costs (including solicitors' fees), damages, expenses, claims, demands and liabilities arising out of (or in consequences of):

- a. The breach by Vancouver Island Sikh Cultural Society, or its directors, officers, agents, or employees, of any of the covenants or obligations of Vancouver Island Sikh Cultural Society herein, including, without restricting the generality of the foregoing, the misuse of, or the unauthorized dissemination of, our engagement report or the financial information in reference to which the engagement report is issued, or any other work product made available to you by our firm.
- b. A misrepresentation by a member of your management or those charged with governance.

#### **Limitation of Liability**

The total liability assumed by us for any claim, loss or damage arising out of, or in connection with, the Engagement, regardless of the form of action, claim, loss or damage, be it contract, tort or otherwise, shall in no event exceed the aggregate of the professional fees paid to us for that portion of the services, as defined within this Engagement that has given rise to the claim. In addition, we will not be under any circumstances liable for any special, indirect or consequential damages including without limitation, lost profit or revenue.

#### **Time Frames**

We will use all reasonable efforts to complete the Engagement as described in this letter within the agreed upon time frames.

However, we shall not be liable for failures or delays in performance that arise from causes beyond our reasonable control, including any delays in the performance by Vancouver Island Sikh Cultural Society of its obligations.

#### Fees at Regular Billing Rates

Our professional fees will be based on our regular billing rates, plus direct out-of-pocket expenses and applicable GST, and are due when rendered. Fees for additional services will be established separately.

If significant additional time is likely to be incurred, we will discuss the reasons with you and agree on a revised fee estimate before we incur the additional costs.

Fees will be rendered as work progresses and are payable on presentation.

#### **Billing**

Our fees and costs will be billed monthly and are payable upon receipt. Invoices unpaid 30 days past the billing date may be deemed delinquent and subject to an interest charge of 1% per month. We reserve the right to suspend our services or to withdraw from this Engagement in the event that any of our invoices are deemed delinquent. In the event that any collection action is required to collect unpaid balances due to us, you agree to reimburse us for our costs of collection, including lawyers' fees.

#### **Termination**

Management acknowledges and understands that failure to fulfill its obligation as set out in this engagement letter will result, upon written notice, in the termination of the Engagement.

Either party may terminate this agreement for any reason upon providing written notice to the other party (not less than 30 calendar days before the effective date of termination). If early termination takes place, Vancouver Island Sikh Cultural Society shall be responsible for all time and expenses incurred up to the termination date and all costs in

terminating any agreement with any specialist or other third party retained by us in connection with this Engagement.

If we are unable to complete the Engagement, we may withdraw from the Engagement before issuing our Compilation Engagement Report or compiling the financial information. If this occurs, we will communicate the reasons and provide details.

#### Survival of Terms

This engagement letter will continue in force for subsequent Engagements unless terminated by either party by written notice prior to the commencement of the subsequent Engagement.

**Complex Transactions** 

Please note that we are not in a position to prepare or advise you on any filings related to transactions with foreign entities, filings related to holding foreign properties or shares in foreign entities or any other work required due to transactions past or present with foreign entities. We recommend you hire an accounting firm with experience in the area of foreign reporting to ensure you are filing and reporting these transactions and foreign ownership correctly.

VIVA currently offers Vipassana meditation courses at the centre Lands, which generally range from one to ten days in length, with beginner courses being ten days.

The Centre is part of a worldwide network of Vipassana meditation centres teaching the same technique. Each centre is a separate legal entity, but all teach in the identical manner.

VIVA's mission is to offer this technique to as many people as possible.

The Centre's facilities and surrounding lands provide a unique and special place of worship for these teachings to be given. The centre is one of only 5 such centres in Canada, and the only one on Vancouver Island.

The Constitution of VIVA is registered with the CRA under the authorisation as a Registered Charity.

(See copy of 2008 CRA Registration letter, attached).

#### Section 3. Property Information (Registration, Principal Use)

a) Lands are registered in the name of Vancouver Island Vipassana Association.

(See State of Title Certificates attached)

VIVA purchased the Lands from the Sisters of Poor Clare's Monastery in September of 2018. The Lands consist of two lots.

- 2359 Calais Rd (Lot 1, Plan VIP27012: Folio 04-315-06474000)
- Wicks Rd (Lot A, Plan VIP25835: Folio 04-315-06355000)
- b) The first lot is three and a half acres, which houses the main building, including the meditation hall, residences, kitchen, storage buildings, administrative office, and caretaker's cabin. The second lot is a ten-acre parcel of forest and ravine land adjacent to Richard's Creek and Somenos Marsh. This area is also essential to VIVA's use of the Lands, as it includes, among other things, two cabins used for accommodation and walking trails used for exercise, meditation, and quiet reflection.

- c) VIVA offers, to the general public by way of an application process, a unique and vital educational and religious program at the Lands. VIVA is a non-profit organization and does not charge students for its courses, nor does it pay any of its teachers or other staff. The Lands are used exclusively for the above stated purposes, including administrative responsibilities and between courses preparation, 100 % of the time.
- d) VIVA aims to serve the Municipality and the community broadly, and its courses are available and open to the public regardless of one's religious affiliation, or any other distinction. Applicants are admitted by way of an application process. Almost 790 students and voluntary servers attended VIVA's courses at the centre last year. (for the period 2022-01-01 to 2022-12-31) Demand in the Municipality far outpaces availability. In short, VIVA serves an important, unique, and in-demand religious and educational community function in the Municipality.

#### Section 4 - Other Information

VIVA became a member of the Cowichan Community Land Trust as stewards of our lands and forest, and to formalize a solidarity with others caring for our place in nature.

VIVA relies exclusively on donations from its students and other benefactors, as well as volunteer staff. VIVA was able to purchase the Lands, in part, based on generous donations and loans, it continues to carry a considerable debt. These financial concerns have been recently exacerbated by rising inflationary costs and interest rates.

Several members have either moved to, or are seriously looking for property, in the Municipality based on proximity to the centre.

The centre operations strive to obtain necessary supplies and materials from local businesses to the maximum extent possible.

The property is currently exempt under Bylaw 3519, items 150 and 151 of the Schedule.
