**Subject:** Proposal for Veteran Crosswalk Project Across Cowichan Malahat Langford

Good evening,

I hope this message finds you well. I am reaching out with a proposal to create a series of crosswalks across our district to honour the veterans who have served and continue to serve our country, particularly those within our own community. With CFB Esquimalt Naval Base nearby and many active service members and veterans residing locally, this initiative would serve as a profound expression of our gratitude.

The vision is to paint these special crosswalks near all Royal Canadian Legion branches throughout Cowichan Malahat Langford. This would reinforce each branch as a space of remembrance, ensuring that our veterans' sacrifices are visibly honoured in the communities they call home. The project would not only offer a meaningful tribute but also foster awareness and respect among residents and visitors alike.

I have attached an image to this email as a reference for the design concept. Your leadership in coordinating this initiative would be invaluable, and we believe your support could help inspire broader community involvement to bring this vision to life.

Thank you for considering this important project. Please let me know if you would be interested in discussing next steps or if there are any questions or ideas on how we can move forward together.

Kind regards,

Charles Borg
