**Subject:** letter of support

Hi Terri,

I was wondering if North Cowichan would be able to help with a letter of support regarding the Municipalities experience with the Pitchin' In Community Clean Up program, we run out of Sq'umul' Shelh Lelum'. We are currently looking to have similar programs funded in other municipalities and a letter would be helpful. I have included a template that may be helpful.

I made sure to look at the council schedule this time so that I would be sure that everyone's time frames don't lined up.

Thanks,

**Re: Letter of Support- Community Gaming Grant Application, Peer Outreach Program**

To Whom It May Concern:

On behalf of [name of agency], I am very pleased to offer this letter of support of Lookout Housing and Health Society request for a Community Gaming Grant from the Province of British Columbia for the Peer Outreach Program.

The Peer Outreach Program was implemented by Lookout in 2023 with the goal to create a more beautiful, cleaner and healthier community while supporting individuals who are homeless or at risk of homelessness. The Peer Outreach Program accomplishes this through developing participants' preemployment and employment skills such as adherence to schedules and assuming responsibilities while providing stipends to equitably compensate them to economically empower them. Peers connect with local vulnerable people and establish meaningful connections with them and also simultaneously better the overall community by engaging in community clean up and other services. Lookout has replicated the Peer Outreach Program model in Duncan and North Cowichan by building positive relationships with local government and businesses.

I first became aware of Lookout's peer outreach programs ... [add relevant information about how you became involved, why the program is important, and your interactions with Lookout]

I strongly support Lookout Housing & Health Society's application for additional funding for this unique program to continue in our community. Kindly contact me directly if you require further information.

Sincerely,
