**Subject:** Letter of Support for the Chemainus Murals Program

Good Afternoon Mayor Douglas -

Within the next couple weeks, our Society will be finalizing documents required to submit an application for a Community Gaming Grant for 2025. Letters of support from the community play an important role in successfully obtaining these funds which contribute to the Society's ability to continue to maintain and update existing murals and sculptures and to create new attractions for residents and visitors to our community.

We have received these letters of support from your office in some previous years. Can we please receive a letter of support again this year.

Thank you for your continued support of the Society.

Regards -

Doreen Zielke, Treasurer
