Dear Mayor and Council

Re: Chemainus Health Care Auxiliary's 125th Anniversary Crosswalk Request

As you know, and with your support in the fall of 2024, our Auxiliary celebrated its 125th anniversary of serving the community with a very public party. During this celebratory year the Auxiliary would like to have the crosswalk, by our very popular Thrift Shop at the corner of Oak and Maple Streets, painted to acknowledge our 125 years. We realise that this requires approval by the Municipality and will require a number of steps to achieve completion.

This letter is to request the opening of discussion with a representative of the Municipality to explore options and that would achieve approval by Council and the successful completion of this project by 1 May, 2025. We look forward to the opportunity and thank you in advance for your possible support.

Sincerely

Susan Beaubier
