Subject: Invitation to Tour Campbell River

I would like to extend a warm invitation to you to visit Campbell River on **Thursday, September 11, 2025**, for a tour of one of the local salmon aquaculture sites operated by Grieg Seafood BC.

As you may be aware, the aquaculture sector plays a significant role in the economic and social fabric of coastal communities like ours. The City of Campbell River stands in support of sustainable fish farming and recognizes its importance to local jobs, food security, Indigenous partnerships, and economic resilience.

This tour will provide an opportunity to see firsthand the innovations and environmental practices being implemented by Grieg Seafood and to have a thoughtful discussion about the future of aquaculture on Vancouver Island.

Lunch and required PPE (personal protective equipment) will be provided. We hope that this will be a valuable and engaging experience for all participants.

Please RSVP by August 18, 2025, to confirm your attendance. We will follow up with logistical details, including meeting times and transportation.

If you have any questions in the meantime, don't hesitate to reach out to Lisa Sanders (Lisa.Sanders@campbellriver.ca) for more information.

Sincerely,

Mayor Kermit Dahl
City of Campbell River
