

The Petition for Traffic Safety Improvements-**York Ave. only (Crofton Elementary School Zone.)**

1. Digital signatures are being gathered to address ongoing speeding traffic on **York Avenue in front of Crofton Elementary School** within the active school zone. I will also be taking signatures on paper throughout Crofton until March 4th. Please sign one.
2. At this time, this petition is asking for signatures for this area of Crofton only. I understand there's-other concerning matters. At this time I will only be addressing this location at the muni. meeting on March 4th. Thank you for your understanding.

Consistent speeding during school hours, at drop off and pick up times and all throughout the day, poses a safety risk to children, families and pedestrians.

This petition will formally be submitted to the Municipality of North Cowichan on March 4th. I had formally sent in a email requesting a traffic and safety review and appropriate safety measures be done. I will provide this petition and plead for changes to happen in the near future.

I care deeply about the safety of our children and our community. Regardless of the outcome, I believe it is important to respectfully advocate for safer conditions around the school. I hope you do to!

2/18/2026 1:06	V0R1R0	Parent/guardian	Yes	We need some speed bumps people fly down that road and also make it a park zone all day every day	Jennifer Welburn	
2/18/2026 1:07	VOR 1R0	Community Member	Yes	Also speed bumps on smith hill. With daycare going in Adelaide and Berridge, due to speed people drive down the smith hill many people have missed Adelaide turn and have ended in our neighbours front yard. there are going to be accidents !!	Bonnie Lamley	
2/18/2026 1:08	V0R 1R0	Resident	Yes	The right turn from Adelaide onto York Ave was restricted too much so that as a driver I feel I am driving into the other lane.	Tony Lamley, Adelaide Steet.

2/18/2026 5:22	V0r3c0	Parent/guardian	Yes	I have personally seen at school drop off with cross guards at the crosswalk. Logging trucks, commercial trucks and vehicles speeding by! It is unacceptable how fast they are driving in a school zone and also unacceptable the lack of police we see in that area to monitor.	Lindsay elzinga	
2/18/2026 5:28	V0R1R0	Parent/guardian	Yes	needs to have speed bumps, flashing sign and more police patrols and school gate for the front playground so kids can not run onto the road.	Chelsey McCabe

2/18/2026 6:38	v0r1r0	Community Member	Yes	could really use a few speed bumps. not only is speeding traffic an issue during school hours, but people speed up and down the street like a straight stretch raceway. The ferry traffic also increases the speeding traffic flows. Ive lived on york for over 10 years and this has been a continuing problem in the community. would also be great to address the parking/drop off zones of the school.	Jessica

2/18/2026 8:56	V0r1r0	Resident	Yes	More enforcement would be great as the ferry traffic is probably the worst offenders. York/Adelaide/Queen/Osborne bay all bad for speeders hurrying to the ferry.	Jeff Longhurst

2/18/2026 12:21	V0r1r0	Community Member	Yes	<p>The outdated layout to the front of the school property is limiting for pick up and drop off of students. Proper line painting for parking spots on York Ave on both sides of the street would be very useful as many still park in front of yellow lines, block driveways, impede traffic on roads with minimal shoulder area for pedestrians (students walking home are put in danger when cars park on Coronation St, Brook St and Morgan St for example)</p> <p>A flashing school zone sign would be helpful at either end of the zone also, as many motorists "miss" the one sign at the top of York Ave at the Adelaide St crosswalk. Painted "x" or "school zone " ON the road would also be beneficial to remind motorists of the speed limit. Regular attendance of police officers would be a great deterrent also. When I was a Speedwatch volunteer we were regularly yelled at, gestured at, and simply ignored as we were not in any position to stop them</p>	Stacey Murray

2/19/2026 8:19	V0R 1R0	Community Member	Yes	I think that speed bumps or rumble strips across the road like at the ferry terminal in Nanaimo would be a good idea. A whole bunch of little speed bumps through the 30km/h zone in front of the school.	Maxwell Armishaw

2/19/2026 16:05	V0r1r0	Resident	Yes	We live right across from the school. Both my kids have to cross the street daily to get to and from school, play with neighbourhood kids and multiple people are speeding through the zone daily	Colleen Davidson	
2/19/2026 16:25	V0R 1R0	Parent/guardian	Yes	People seem to disregard it is a school zone! I have been honked at for going 30km/h just after school was out. Also people race through because it is "the main drag" in Crofton. Something like speed bumps would be a huge help in controlling this. Also the school zone starts at 8, but there are kids nearby before then as the high school bus picks up just after 8	Kristen Bowles	
2/19/2026 17:05	V0R 1R0	Resident	Yes	The term "School Days", I feel should be eliminated to everyday whether school is in session or not. In my opinion, it's still a playground everyday and for that reason speed should be consistently slower. ... And I don't have children.	Dianne Mattin

2/20/2026 7:20	V0R1R0	Parent/guardian	Yes	Right now, the school zone signs are hard for drivers to see, which creates a safety concern. Moving them to more visible locations and adding flashing lights during school hours would help remind drivers to slow down and keep our kids safe.	Courtenay Jansens

2/21/2026 15:01	v0r1r0	Parent/guardian	Yes	Think a flashing speed sign would help, along with more police presence during school hours to write speeding tickets. As well as the speed trap volunteers during school hours.	Thomas Brown	

2/21/2026 20:14	V0r1r0	Parent/guardian	Yes	There is no signage after Adelaide on York. Anyone turning onto York may not know that it is a 30km school zone and go to court & win...	Alec M	
2/22/2026 6:23	V9I5x7	Community Member	Yes	Rumble strips or speed hump/bump would be acceptable	JUANING HIGGINS	
2/22/2026 19:12	V0R 1R0	Resident	Yes	It is constant throughout the summer from 6 am to all hours of the night. Was going to suggest a series of speed bumps (similar to maple bay road by the dog park, tennis court, playground). I live on the corner of York and Robert.	Stasha delure

2/23/2026 5:24	V0R1R0	Community Member	Yes		Roberta Teskey	
2/23/2026 7:32	V0R1R0	Resident	Yes	Adelaide Street is a straight away and traffic moves too fast. Children crossing to get to school have to fend for themselves. There is no crosswalk from one side to the other that has the sidewalk on Adelaide. We know once development is done perhaps sidewalk but right now and for years it's unsafe and the speed is too fast. 40km should be our community speed. And at least one crosswalk for safely and to slow folks down, going north south.	Janet Bell	

2/23/2026 7:44	V0R1R0	Parent/guardian	Yes	I am a parent who waits in their car for a child after school lets out. I definitely see people speeding through the school zone. It is often very difficult to get back onto the road when the ferry traffic aligns with school being dismissed, regardless of turn signals being used	Celina Reese	
2/23/2026 8:17	V0R1K2	Community Member	Yes		Knight	
2/23/2026 8:49	V0R1R0	Community Member	Yes	I have witnessed people blasting through that school zone many times, completely disregarding school zone speed limit. Also, we were in my husband's truck one day, and a father was sitting in his vehicle across from the school looking at his phone. His little boy ran out from between two parked cars from the school side right out in front of us! Thankfully my husband was actually going BELOW the speed limit, or he absolutely would have hit him. If that had been someone speeding, that would have been a very sad outcome.	Karen Howie

2/24/2026 16:20	V0R1R0	Resident	Yes	Speeding from ferry traffic, to and from. Parents jaywalking with students at drop off and pick up sets a bad example. Parents making u-turns in the school zone.	Charlotte Fisher

2/27/2026 7:52	V0R 1R0	Community Member	Yes	The street could use some speed bumps and that's it. The electronic signs that flash when you go too fast are ignored. They don't work on Osborne Bay road. I see people continuing to speed. So hopefully council makes a smart decision about this and not wasteful ineffective spending. Our kids matter.	Aimee Renaye
