Dear Madame or Sir,

I am writing this letter to apply for permission under North Cowichan's Temporary Mobile Home Permit bylaw to keep and maintain a mobile home at 7042 Norcross road. My wife and I are applying to keep the mobile home at 7042 Norcross Road for my mother to live in. She is 67 years old, widowed, and single. She would benefit from living in close proximity to my family and I both physically and emotionally.

Thank you for your time and consideration,
